## JUDGMENT

Entered: June 7, 2022

The court has reviewed the "Appellant's Response to the Order to Show Cause." We dismiss the appeal for lack of finality. See Local Rule 27.0(c).

With its docket entry of March 25, 2021, the district court stated:

Dukes County's Motion to Dismiss will be allowed when the First Circuit remands the case. Meanwhile the case is STAYED pending appeal.

Once the district court has effectuated that course of action or otherwise has disposed of the underlying matter in full, any party may appeal via the filing of a new notice of appeal that complies with, inter alia, Fed. R. App. P. 3 & 4.

The clerk shall transmit a copy of this judgment for docketing in the district court.

**So Ordered.**
